Hey! Nice job!!! Sorry I went mia- my dad died on Monday. It's been a sad and crazy month for me. I'm looking forward to the other parts. ✌️

Dec 18, 2022, 6:58 PM

I'm so sorry to hear that maureen. I can't imagine what you're going through.

Thank you. I appreciate that. BTW - I'm not sure if you ever got in touch with Eddie but he texted Charles and I asked what number and he gave me the [203-810-9140](tel:203-810-9140)... thank you again. Life is crazy and cruel.

Hey, nice job on the videos. I hope Eddie is finished after this! I've been speaking with a few other people whose wallets were frozen and we're discussing getting a lawyer and suing Eddie and Logan. I also texted with jake yesterday... wild shit...

Dec 29, 2022, 12:55 PM

Hey thanks so much. Wouldn't have been possible w/out you bravely helping w stuff. Do you have time for a quick call today?

Can you do now? I'm driving for the next 30 minutes.

Yes, I will call you in a moment

Hey, I'll get you that document tonight or tomorrow hopefully, had a few things come up.

No worries. WTF is up with this ass clown??

I have no idea, if I had to guess he thinks he has something that vindicates him?

Can't imagine what it'd be... not to mention I've literally been trying to reach him for a year +

Well... I am curious. I hope this ruins all of them.

Dec 30, 2022, 10:57 PM

Hey I'm trying to redact the document and I think the password is actually getting in the way. Is there a way to remove it? There's a "permissions password" but it's not 0153

Any ideas?

Ok I think I found a way.

All looks good. thank you!

Jan 3, 2023, 11:48 PM

What did you think?

Jan 5, 2023, 1:25 AM

I'm Logan's "apology video" he says he's never made money from zoo- then he says something crazy - I will never make money from zoo- which means he will never produce the game. If his intentions were to make a functioning game- why wouldn't he make money??? It doesn't make sense.

Jan 7, 2023, 5:35 PM

Yeah, Logan 's first two responses were absolutely terrible

Just a quick curiosity, what are the phone numbers you had associated with Logan Paul, and crypto king, and Eddie from those texts. In your phone address book I mean.

Jan 10, 2023, 12:25 AM

Hey! Sorry to bother just following up on this.

Oh hey- yeah, I didn't even see this text. Let me check...

You know, Eddie had a ton of numbers... total sketch.

The 810 number was working for Eddie in October...

Do you have Dani Strobel? She's the other person in the big 5

That I don't have.

What's next for all this?

Depends on who steps forward. I think lawsuits are next against LP and the founders. I'm not involved tho
